## **Exclusive Opportunity**

**This is your chance to become a foundation member of the new RSL at the Sydney.**

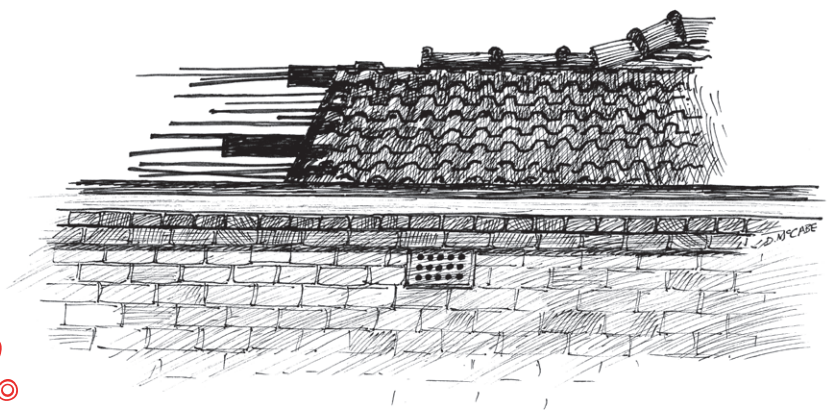

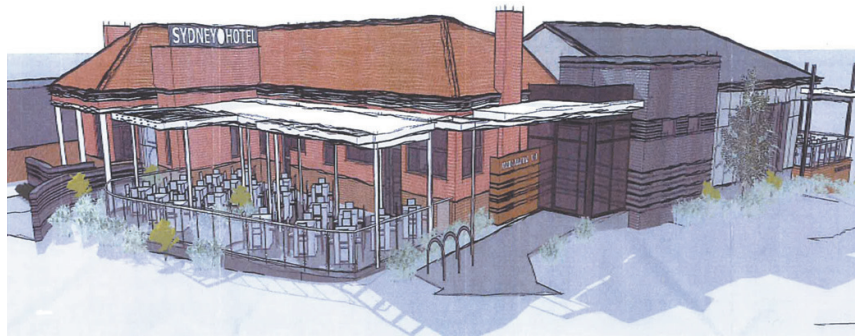

In May 2019 the Wangaratta RSL Sub-Branch will commemorate its move to the Sydney Hotel with the publication of 300 high quality individually signed and numbered volumes.

The 40 page soft-cover book will record the construction period through coloured photographs and original artwork by artist David McCabe.

It will also include the names of all service and affiliate members at the time of the opening to honour their support for the project through their annual subscriptions. These members will be recognised as **"The Originals"**.

The cost will be \$25 each and only available by prepayment to any member of the Sub-Branch staff with the completed slip below.

Note: Members may request their names not be included.  
See a staff member before April 2019.
